Robb Oakeshott  
175-77 Clarence St  
Port Macquarie, NSW, 2444

Dear Rob,

Whilst this will be just another piece in the innumerable correspondence you will have received in recent weeks, I need to take the opportunity to commend you on the professional and forthright way you have conducted yourself in recent weeks .

Regardless of one's political orientation, your actions have demonstrated you to be a fellow of extreme integrity, consideration and diligence. You are articulate and have acted as a true Independent, in what you see as the best interests of your constituents and the Nation.

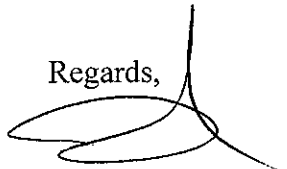

Your act of declining the ministerial position offered to you further proves you act not out of self interest, but for the interests of those you serve.

Recent events must have been both highly stressful and highly rewarding for you, and your family.

Your actions were always going to fall afoul with a significant number, but those with insight must surely acknowledge the merits of your actions, free of rhetoric or towing a party line

Good luck in the future.

Regards,

Dr. David Lund
